Dear Sir:

This paper is submitted in response to the Notice of Non-Compliant Information Disclosure Statement (IDS) issued by the United States Patent and Trademark Office (USPTO) on September 17, 2008. The Notice indicates that the IDS filed by the undersigned on September 12, 2008, has not yet been considered due to the lack of the fee set forth in 37 C.F.R. §1.17(p). The required fee, which was inadvertently omitted from the IDS filed on September 12, 2008, is transmitted herewith.

Additionally, as set forth in 37 C.F.R. §1.97(e), the undersigned declares that no item of information contained in the information disclosure statement was cited in a communication from a foreign patent office in a counterpart foreign application, and, to the knowledge of the undersigned, after making reasonable inquiry, no item of information

contained in the IDS was known to any individual designated in § 1.56(c) more than three months prior to the filing of the information disclosure statement.

In particular, the individuals designated in § 1.56(c) were made aware of the sole reference (U.S. Patent No. 7,007,001 to Oliver et al.) cited in the IDS upon the receipt of an Office action issued by the USPTO in connection with another U.S. Patent Application (U.S. Patent Application Serial No. 10/424,356). The Office action was issued by the USPTO on August 12, 2008.

Accordingly, the applicant respectfully submits that the IDS filed on September 12, 2008, is now in condition for consideration by Examiner Peikari.

METHOD OF PAYMENT

An Electronic Funds Transfer (EFT) in the amount of \$180.00 is submitted herewith.

The Commissioner is hereby authorized to charge any deficiency in the amount enclosed (if any) or any additional fees which may be required during the pendency of this application to Deposit Account No. 50-2455.

Respectfully submitted,
